

HOPE MANSELL PARISH COUNCIL

Notes from the meeting of 25th March 2010

Chair: Robert Duberley

Salt bins:

There seems to be confusion over the salt bins, with some being filled and over-flowing, while others are empty, so the Council will ask Amey to make sure they are all full at the start of winter.

Forestry Operations:

There has been widespread concern at the damage done to the tracks in the forest, and work has currently stopped during the goshawk breeding season, but we have been promised that the tracks will be repaired and reinstated when the logging operations are finished.

Footpaths:

Reopening the track from the bottom of Kiln Lane towards Bailey Brook was discussed. The local footpaths officer will be approached.
