

HOPE MANSELL PARISH COUNCIL

Notes from the meeting held on 13th July 2011

Chair: Robert Duberley

Roads

The potholes near Belbridge Kennels have still not been repaired, but the ditching has been done, and the clerk will send another letter, with photos of the potholes, to Gloucestershire County Council.

Amey have sent a spreadsheet of jobs logged, with projected completion dates following their 'Parish Walk'. Unfortunately this makes no mention of potholes, but the worst have now been repaired. Salt bins will be filled in October.

Queen's Jubilee

The presentation of a Jubilee momento to all children in the Parish under 16 was discussed.
