School Consultation

Financial Matters

After reviewing the financial budget and spend for this year and reflecting on the continued uncertain economic climate, the meeting agreed to maintain the precept for 2010/11 at £6000.00 representing no change on the previous year.

Lengthsman Scheme

The Council are considering applying for a grant from Hereford Council for this scheme which involves appointing a suitably qualified and insured person to carry out maintenance work on small projects. This can involve repairs to bus shelters, cutting and clearing branches at cross roads and clearing ditches which are blocked. The Council invite residents to offer their own suggestions on any small projects they feel are required in the Parish. Please contact a local Council member to discuss this with them.

Co-option of new Council member

Steve Cox was appointed to the Council to replace G Roberts who resigned some months ago.
