#### **Chairman Susan Lewis**

#### **Welcome to our new Council member**

The Chairman and all Council members welcomed Jessica Duthie to the Parish Council.

One further position on the Council is now available following the resignation of George Pres and any person interested should contact the Clerk in writing expressing this interest together with a contact telephone number so that the detail of the position can be discussed further.

#### **Allotments**

This possibility is being considered and investigated by the Council and coordinated by Neil Patterson. Should anyone in the Parish have suitable land available for such a project please contact Neil directly. Anyone interested in an allotment should contact the Clerk in writing.

#### **Disease on the Chestnut trees at Weston**

Regretfully the disease happening over the whole country has reached Weston. Julie Backhouse our special advisor on such matters recommends that the leaves are collected once they have fallen from the trees and burnt to avoid the disease spreading further. The Council appreciate any help residents can give to carry out this task.
