The meeting thanked Council member Greg Weston for repairing the notice board at Pontshill and replacing the damaged Perspex windows. The meeting also thanked members of the public who had donated materials for these repairs.

Planning

Two applications had been received for comment.
Weston Park. New detached dwelling and garage.
The Forge and Forge Cottage. Small extension to rear of the property.

Litter Pick Up Weekend

The Council are organising a litter pick up weekend to be held during 15 and 16 October 2011 . Each day will start at 10am at the car park at Weston Village Hall where pick up sticks orange safety jackets and collection bags can be received.

In these harder economic times it is evident increasing amounts of litter can to be seen as Herefordshire Council need to reduce costs. This makes this collection weekend more important than previous years if we wish to maintain the natural beauty and appeal of our Parish.

Apple Trees for the Community

Our Council member Neil Patterson has agreed to co ordinate this project where we hope that three apple trees will be made available free of charge for a designated place in our Parish nearby the village church.
