

## **WESTON UNDER PENYARD PARISH COUNCIL**

**Notes from the meeting held on 7 November 2011**

**Chairman Susan Lewis**

### **Litter pick weekend in the Parish**

The Parish Council would like to thank those residents that attended and helped to collect litter in areas of the Parish. A surprising large quantity of litter was collected from a hard working small group of people. It is with regret that the Parish Council have to report that so few people attended to give a small amount of time to help to keep the Parish a pleasant place to live and enjoy.

### **Precept for 2012/2013**

The meeting reviewed the needs for the next financial year. Council members are minded that although we live in difficult economic times costs however continue to increase for services and maintenance. In order to keep pace with these expected and other increases over the next financial year the Council agreed to increase the precept application by £300 to £6300. This small increase will help in part to meet these increases the remaining funds needed will be taken from the Council savings account .

### **Planning**

The following applications were received for comment.

Bollitree Castle proposed stable block and associated gravel areas

Land north of Penheligan House sewage pumping station

Bailey Heights change of use of land to domestic garden
